Augustana College, Rock Island, Illinois, invite applications for TWO tenure-track positions in Computer Science at the assistant professor level beginning Fall 2019.

A Ph.D. in Computer Science is strongly preferred but ABD will be considered. Applicants should be interested in teaching a broad range of undergraduate CS courses. Faculty members are expected to teach five to six courses per year over three terms (two semesters and a short January-term). The successful candidate will have the opportunity to help shape the future of a small but vibrant computer science program. The college values teaching effectiveness, advising and mentoring of students, an active and productive research agenda and service to the college community. Faculty development benefits include a pre-tenure leave, professional meeting allowance, and institutional start-up grants to support scholarly pursuits. Details about Augustana College, our expectation of the faculty, the selection process and the Quad Cities all are available at the Faculty Search website: http://www.augustanafaculty.org. Questions may be directed to the chair of the department, Stacey Rodman, by emailing to staceyrodman@augustana.edu. Review of applications will begin November 27, 2018.

A complete application includes:
• cover letter indicating an interest in teaching in a liberal arts setting
• curriculum vitae, copy of graduate transcript
• three letters of recommendation
• teaching statement demonstrating commitment to excellence
• research statement highlighting potential collaboration with undergraduate students

For application instructions, find the job posting at: http://www.augustanafaculty.org/career_positions.php

Augustana College is an equal opportunity employer and actively encourages applications from women and persons of diverse ethnic backgrounds. We do not discriminate based on age, race, color, ethnic origin, gender, sexual orientation, disability or creed.
